**COUNTY OF FULTON
LOCAL LAW “G” OF 2017 ENTITLED,
“LOCAL LAW EXTENDING A REAL PROPERTY TAX EXEMPTION
FOR COLD WAR VETERANS”**

BE IT ENACTED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF FULTON,

AS FOLLOWS:

Section 1. Purpose: The general purpose of this Local Law is to extend a real property tax exemption for Cold War veterans, provide exemption from taxation and to provide additional exemptions for service-connected disability or death, in accordance with NYS Real Property Tax Law, Section 458-b (Chapter 50-a).

Section 2. Justification: This Local Law addresses perceived inequity by granting a partial real property tax exemption to “Cold War Veterans” who served for more than one year of active duty in the United States Armed Forces between September 2, 1945 and December 26, 1991 and who were discharged or released under honorable conditions.

Section 3. Exemption Schedule:

- A. Fifteen percent (15%) of the assessed value of such property, provided such exemption does not exceed \$12,000.00 or the product of \$12,000.00 multiplied by the latest State equalization rate of the assessing unit or, in the case of a special assessing unit, the latest class ration, whichever is less.
- B. In addition to the exemption provided in paragraph (A) of this subdivision, where the Cold War Veteran received a compensation rating from the United States Department of Veterans Affairs or from the United States Department of Defense because of a service connected disability, qualifying residential real property shall be exempt from taxation to the extent of the product of the assessed value of such property, multiplied by 50% of the Cold War Veteran disability rating; provided, however, that such exemption shall not exceed \$40,000.00 or the product of \$40,000.00 multiplied by the latest State equalization rate for the assessing unit or, in the case of a special assessing unit, the latest class ratio, whichever is less.
- C. The exemption provided by paragraph (A) of this Local Law shall be granted for a period of ten (10) years. The commencement of such 10-year period shall be governed pursuant to this sub-paragraph. Where a qualified owner owns qualifying residential real property on the effective date of this section, such 10-year period shall be measured from the assessment roll prepared pursuant to the first taxable status date occurring on or after the effective date of this section. Where a qualified owner does not own qualifying residential real property on the effective date of this section, such 10-year period shall be measured from the assessment roll prepared pursuant to the first taxable status date occurring at least 60 days after the date of purchase of qualifying residential real property; provided, however, that should the veteran apply for and be granted an exemption on the assessment roll prepared pursuant to a taxable

status date occurring within 60 days after the date of purchase of residential real property, such 10-year period shall be measured from the first assessment roll in which the exemption occurs. If, before the expiration of such 10-year period, such exempt property is sold and replaced with other residential real property, such exemption may be granted pursuant to this subdivision for the unexpired portion of the 10-year exemption period.

Section 4. Limitations: If a Cold War veteran receives the exemption under Section 458 or 458-a of the NYS Real Property Tax Law, the Cold War Veteran shall not be eligible to receive this exemption.

Section 5. Eligibility for Exemption:

- A. “Cold War Veteran” means a person, male or female, who served in active duty for a period of more than 365 days in the United States Armed Forces, during the time period from September 2, 1945 to December 26, 1991, was discharged or released therefrom under honorable conditions.
- B. “Armed Forces” means the United States Army, Navy, Marine Corps, Air Force or Coast Guard.
- C. “Active duty” means full-time duty in the United States armed forces, other than active duty for training.
- D. “Service connected” means, with respect to disability or death, that such disability was incurred or aggravated, or that the death resulted from a disability incurred or aggravated in the line of duty on Active military, naval or air service.
- E. “Qualified Owner” means a Cold War Veteran, the spouse of a Cold War Veteran or the unremarried surviving spouse of a deceased Cold War Veteran. Where more than one qualified owner owns the property, the exemption to which each is entitled may be combined. Where a veteran is also the unremarried surviving spouse of a veteran, such person may also receive any exemption to which the deceased spouse was entitled.
- F. “Qualified residential real property” means property owned by a qualified owner which is used exclusively for residential purposes; provided, however, that in the event that any portion of such property is not exclusively for residential purposes, it is used for other purposes, such portion shall be subject to taxation and only the remaining portion used exclusively for residential purposes shall be subject to the exemption provided by this section. Such property shall be the primary residence of the Cold War Veteran or the unremarried surviving spouse of a Cold War Veteran; unless the Cold War Veteran or unremarried surviving spouse is absent from the property due to medical reasons or institutionalized for up to five years.
- G. “Latest State equalization rate” means the latest final equalization rate established by the State Board, pursuant to Article 12 of this chapter.
- H. “Latest class ratio” means the latest final class ratio established by the State Board, pursuant to Title One of Article Twelve of this chapter for use in a special assessing unit, as defined in Section 1801 of this chapter.

Section 6. Process: The owner, or all owners, of the property on a form prescribed by the State Board, shall make application for exemption. The owner or owners shall file the completed form in the assessor's office on or before the first appropriate taxable status date. The owner or owners of the property shall be required to re-file each year. Applicants shall re-file on or before the appropriate taxable status date. Any applicant convicted of willfully making any false statement in the application for such exemption shall be subject to the penalties prescribed in the Penal Law.

Section 7. Savings Clause: If any court of competent jurisdiction shall adjudge any clause, sentence or paragraph of this Local Law be invalid, such judgment, decree or order shall affect, impair or invalidate the remainder of the Local Law, which shall as to such remainder remain in effect.

Section 8. Effective Date: This act shall take effect March 1, 2018, and shall apply to assessment rolls on the basis of taxable status dates occurring on or after such date.
